Died

Death at 5:10 o'clock Monday evening, November 15, 1920, claimed one of the best known Catholic women of Ste. Genevieve, when the final summons came to Mrs. Mary Elizabeth Kern, nee Naumann, at the home of her daughter, Mrs. E. J. Baumann, in this city, aged 74 years, 7 months and 12 days. Death came very suddenly and was a severe shock to her many relatives and friends. Mrs. Kern was born on March 2, 1846, and was the daughter of the late Christian Naumann and Catherine Naumann, nee Young. She was the wife of the late Henry Kern, who preceded her to the grave May 15, 1881. The deceased was a life long member of the Catholic Church and died as she had lived, in the faith of her ancestry. She was a woman of noble character, and well known for her many acts of kindness and she will be sadly missed by her many relatives and friends. Besides her grief-stricken daughter, Mamie, Mrs. Ed. J. Baumann, she is survived by a brother, Charles J. Naumann, and a sister, Anna, Mrs. Valentine Seitz, and two grand children, Miss Agnes and Austin Baumann, all of Ste. Genevieve. The funeral took place from the Catholic Church at 9:30 o'clock Wednesday morning and after a Requiem Mass, which was largely attended, the remains were laid to rest in the Valle Spring Cemetery. The deceased was a member of the Queen's Daughters, who attended her funeral in a body.

William Willis, aged 85 years, died at the home of his daughter, Mrs. Martha Harmon in St. Louis, Sunday morning, November 14, 1920. The deceased was the grand-father of George Willis of Ste. Genevieve, who accompanied by his wife attended the funeral services in St. Louis Monday. The remains were taken to St. Clair, Mo., for burial.

Fire At City Hotel

Tuesday afternoon at 5 o'clock p. m., the kitchen in the City Hotel caught on fire, caused by an explosion of a range, and the fire spread rapidly to the dining room which adjoins the kitchen. The alarm was sounded and the hose reels and assistance arrived at the scene in a short time, extinguishing the fire before it reached other parts of the building. The inside of the kitchen and its contents were demolished and the dining room was badly damaged, the heat causing the large glass windows in front to crack. About \$1,000.00 damage was done to the building and contents.

I. S. Comes To Life.

Again we take on new hope that the I. S. will soon be among us. At a meeting held in St. Louis last Saturday and attended by Louis Kultz, Isaac Beare and Albert Gilster of this city it was made known that the St. Joe Lead Company would buy the road at \$900,000 and they expected the shippers and others interested along the way to buy \$300,000 worth of bonds. This is practically the same offer as was made a month ago or so with the exception that the Lead Co. will go before the Public Utilities Commission and ask to be allowed to float an additional \$700,000 in bonds to put the road in operation. Chester was asked to subscribe \$12,000 toward the first \$300,000.

About a month ago the \$300,000 was practically raised along the line. Chester interests subscribing the amount of \$12,000. At that time it was agreed that only \$300,000 would be required, but since that time developments have convinced the buyers that the additional bonds would have to be floated. When the shippers met in Chicago the receiver of the road wanted \$1,150,000 but have since come down to the original price.

It is understood that the money raised by the sale of bonds will be used only for the improvement of the road and putting it into operation, and will be secured by first mortgage on the road with 7 per cent interest.

At a meeting held at the Court House here Saturday night \$15,000 was raised and if the rest of the towns along the line will come along with amounts in proportion to the sums asked, there is every thing in favor of the road being again put into operation.—Chester Herald.

The Sipher-Schwartz Company gave their entertainment here last night. The audience was delighted with the entertainment, and the Committee is more than pleased that our course was started with such a splendid number. It is hardly possible to say too much in commendation of these Ladies in their entertainment.
